

PALMERI  
2007 Napa Valley Cabernet Sauvignon  
Stagecoach Vineyard

~ WINEMAKER'S RELEASE NOTES ~

PALMERI wines are created by Kerry and Daisy Damskey with a singular focus on high-elevation fruit in the Napa, Alexander, and Dry Creek Valleys. The name PALMERI comes from *Quercus palmeri*, a small and scrappy oak that grows in the mountain ranges that we gravitate to when selecting ultra-premium grape growing land. Our labels feature the boar, the bat, the fox, and the cougar, each representing the diverse fauna that is found on our hillsides.

HIGHLIGHTS:

- Stagecoach Vineyard, Atlas Peak AVA
- Shallow highland volcanic soil, south-west exposure
- 1,600 foot elevation
- Wild yeast fermentation
- Extended cellaring

TASTING NOTES:

This distinctively deep-ruby hued wine portrays earthy aromas due to its high altitude exposure. The first tastes carry strong undertones of rich and creamy oak. Complemented by a smooth chocolate texture intertwined with robust violet essences. This Napa Valley Cabernet Sauvignon provides ideal acid tannin balance across the palate due to its release after extended aging.
